An outstanding set of Charolais cattle consigned by Hosts, Doug & Darlene Shockey and guests were well received in Hope, Arkansas. The females were described as one of the best groups of females many had seen all fall. The bulls showed great muscling, thickness, and correctness. A highlight was 3 young bulls from Doug Shockey's new herdsire, BHD Minstrel U3037, that sold at the end of the older bulls.

These were quickly purchased as several cattleman observed Doug had a great new sire in this Cigar son.
