# Seller's Guarantee Policy

All bulls have been fertility tested within thirty, (30), days of the sale and are guaranteed breeders by the sellers. Sellers do not guarantee the ability of the semen to freeze.

In the event an animal is claimed to be a non-breeder, the bull may be returned to the seller at the buyer's expense under the following conditions:

A) The bull must be in good physical condition with a Vet Health Certificate stating condition and problem with the bull. The bull must be tested for Brucellosis, T.B. and Trichomonosis prior to returning. This is at the buyer's expenses.

B) Seller may replace the bull with a bull of equal or more value and is limited only to the extent of the purchase price in any settlement or adjustment made.

C) Seller has the right to retest the bull within 30 days after the bull is returned.

D) The adjustments do not preclude the right of the buyer and seller to mutually agree upon other terms and conditions.

All guarantees and claims are made by the sellers and buyers should look to the individual seller for fulfillment of these guarantees and claims. The **Charolais For Profit Bull Sale, Outfront Cattle Service, and Columbus Livestock Market**, are not responsible for any guarantees or claims.

The Registration papers on all bulls will be transferred to buyers upon checks clearing the banks. All information on the bulls and registration papers have been furnished to Outfront Cattle Service by the sellers and this information is believed to be correct, but is not guaranteed.

All persons attend this sale at their own risk and **Charolais For Profit Bull Sale, Outfront Cattle Service, and Columbus Livestock Market**, are not responsible for accidents or injuries.
