* Tremendous mating of two of the most exciting bloodlines to explode onto the Charolais scene the last couple of years. J576, the dam of the \$32,000 Reality bull blended with the \$22,000 Cigar son, Mr President T122. T122 is fast becoming one of the great broodcow sires in the breed. His daughters show tremendous milking ability just like Cigar. J576's 2008 daughter was picked as the 2011 "Pick of DeBruycker herd" in the 2011 Sale of Excellence.

* Alex 950 is a full sib to CJC Mr President T122 and shows the abundant volume, capacity, and great udder structure and quality. This combination should enhance any genetic program to exceed in the breed. You can be a follower or leader and these types of genetics will make your program into a leading herd. Think of all the possibilities you can develop with this outcross to a lot of popular programs in the breed today.

* Selling only 1-choice in this superb genetic package of masterful blending.

* Selling 3-embryos with a guarantee of 1 pregnancy. One of the most popular donor cows in the breed. Marion produced the Res Champion bull at the Royal Breeders Classic, at the 39th Nat'l Show she produced the Jr Bull calf champion, the Res Champion Produce of Dam, and the Res Champion Jr. Get of Sire. This year at 8 years of age, Marion won the Cow/calf class at the Minnesota State Fair. Her bull calf at side, Ice Water, sold to Wells Charolais and New Hope Farms.

BW: 98 WW: 687

* Selling a guaranteed Flush consisting of 7 frozen embryos or a proportionate refund. Buyer pays all flushing, freezing, semen, signings, & shipping costs.
 * L1519 will be ready to flush this spring after calving.
 * L1519 produced CJC Smokin Trade P115, one of the top breeding sons of CJC Trademark H45. Smokin Trade P115 sired BHD Cobalt S553, LHD Bosque S1195, and MD Fusaichi S1027 just to mention a few of his great accomplishments. (How many great herdsires are produced in such a short time by one sire?) This elite daughter of the great Smokin Joe J1382ET that sold to Silver Spur has that superb milking ability you see in the JD Ms Commander B309 offspring. Smokin Joe is a full ET sib to JDJ Smokester J1377, former #1 Milk Trait Leader and still one of the top Milk sires in the breed. With Ali Mark influence you also get the great Milking ability and Carcass merits of this proven sire. Supreme Ali C358 was one of the top marbling sires in ultrasound testing at DeBruyckers.
 * Perhaps only B309 has produced more great herdsires in the DeBruycker herd than L1519! But your flush might change that status. Most breeders missed getting in on B309, don't let this elite offering pass you by on L1519. This will be the only Flush in L1519 that Doug will sell. He will flush her for his herd only after this 1 time special opportunity.

* Halter-broke, Sells Open.

* Most of the breeders in the southwest have seen offspring from J211! Her calves have topped several sales and always show distinct quality and performance. Notice that she also descends from the great Y790 cow from DeBruycker. (The dam of K258 donor and LHD Establish M826!)

* Halter-broke, Sells Open.

* Good numbers, proven pedigree, and great conformation makes this a much appreciated prospect. A younger heifer with plenty of growth and size. You will love her stylish lines and skeletal correctness. Straight DeBruycker genetics that always work for profitable and efficient production.

Consignor: Gary & Christel Biggs

6/6/11
 Sire: Maine composite bull: MA385473
 Dam: LT Blue Grass 4107 x JDJ Ms Cigar L1551

LT Blue Grass 4107

BW: 80

* Halter-broke show steer prospect.

* A fancy smokey cross steer that should be evaluated for the show ring.

* Sire is an Maine x Angus mating bred to a Purebred Charolais cow that is sired by LT Blue Grass 4107, one of the exciting sires in the breed. The dam, L1551, was a Cigar cow that was a "Pick of DeBruycker herd"

 * Halter-broke, Sells Open.
 * This super fancy prospect is out of a former show heifer of Charles'. Her dam weaned her last calf at over 650 lbs at 5 months. Lots of performance and growth in this top prospect! Field Rep has been a tremendous sire of winning show heifers and this heifer is the image of that profile. Can be a tremendous show prospect or a great herd addition.

* Selling “Pick” of 3 ET heifers born from Reality x JDJ Ms Dynasty L428! This is the tremendous mating that excited breeders in the 2010 Sale of Excellence! An ET heifer by Reality and L428 consigned by the Evans’ was a show stopper as breeders got their chance to see their first Reality calf. Lindsay Hudspeth walked away with this superb offering and the heifer has really developed into a great female. Here is your chance to select the very best from this highly selective mating.

* Selection must be made by March 1, 2012. Heifers will not be at the sale site, but can be viewed anytime at the Evans Ranch in Brownwood, TX.

* This could be a great selection for the 2nd \$10,000 Top Consignment in the President & Reality sale scheduled for October 2012.

* Selling “Pick” of 2-ET heifers from the mating of BHD Reality T3136 x BCC Miss S Duke 16 99. Miss Duke 16 99 produced BCC Crown Royal, the Champion at the Royal Breeder’s Classic and Rick Hale’s herdsire, BCC Wy Not. Both have proven to be tremendous breeding sires. Rick Hale also selected a CJC The President T122 herdsire out of Miss Duke 16 99 from Rick Evans that will have calves on the ground this spring. Many have described Miss Duke 16 99 as an almost perfect broodcow with super udder quality, lots of depth and volume, and still retaining absolute femininity. Calves by 16 99 at Gary Biggs are absolutely tremendous, but he won’t sell any of his. Since 16 99 is deceased, this may be the last time to obtain these top genetics out of the former \$44,000 Donor cow.

Consignor: Rick & Cindy Evans

- * Pld Heifer calf #191, born 12/31/11, bw 81 lbs.
- * Recip is a 3-year old Black commercial cow.
- * Exciting mating of a top Grid Maker cow out of J1364, "one of the Sister's" sired by LHD Cigar and JD Ms Commander B309. J1364 was the AICA National Champion Cow/calf in 2001. This calf is plenty good and has a good young recip to raise her. The genetics are outstanding and the results will be asuperior opportunity for a herd to invest in a great genetic improvement. Cortny produced a National sale feature in 2009 and this could be your feature attraction!

- * Her first ET calf by BHD Reality T3136 excited breeders at the annual Sale of Excellence and started the firestorm for Reality genetics. More semen was sold on Reality after seeing this calf that day than maybe any other day. L428 is a never miss kind of donor. Her calves are always good regardless of the sire. A very moderate frame cow with tremendous milking ability. You will love these calves by this mating.
